LEGISLATION

The Authority regulates professional and amateur combat sports in NSW in accordance with the Act, the Regulations and rules of the Authority made in accordance with section 107 of the Act (the Authority Rules).

The objectives of the Act are to:

- Promote the health and safety of combat sport contestants
- Promote the integrity of combat sport contests
- Regulate combat sport contests on a harm minimisation basis
- Promote the development of the combat sport industry.

Persons engaging or participating in combat sports must be registered under the Act in the appropriate Combatant, Promoter or Industry Participant registration class. Combat sport contests must be held in accordance with a permit granted under the Act.

LEGAL CHANGE

COMBAT SPORTS ACT REVIEW

The Combat Sports Authority made recommendations to the Minister for Sport arising from the second phase of its review of the Act to further promote the health and safety of combatants and improve the regulation of combat sports in NSW.

The Office led a consultation with the industry on these recommendations in the first half of 2021 and finalised proposals for Government consideration.

A Bill to amend the Act in line with these proposals is being drafted.

The NSW Government remains committed to achieving the appropriate balance between the protection of combatants and providing a framework that supports the continued growth and maturity of the combat sports sector in NSW.

COMBAT SPORTS REGULATION 2014

This regulation was due for remaking to prevent it being repealed by virtue of the Subordinate Legislation Act 1989. That act automatically repeals regulations on 1 September five years after their making unless the regulation is remade or the repeal is postponed by the Premier. The Premier has postponed the need to take any action until 1 September 2023 on the basis that amendments to the principal act and the regulation are at an advanced stage.

COST OF ANNUAL REPORT

The cost to produce this Annual Report was \$270 (ex GST).

INDEPENDENT AUDITOR'S REPORT

Combat Sports Authority of New South Wales

To Members of the New South Wales Parliament

Opinion

I have audited the accompanying financial statements of the Combat Sports Authority of New South Wales (the Authority), which comprise the Statement by the Accountable Authority, the Statement of Comprehensive Income for the year ended 30 June 2022, the Statement of Financial Position as at 30 June 2022, the Statement of Changes in Equity and the Statement of Cash Flows, for the year then ended, notes comprising a Statement of Significant Accounting Policies, and other explanatory information.

In my opinion, the financial statements:

- have been prepared in accordance with Australian Accounting Standards and the applicable financial reporting requirements of the *Government Sector Finance Act 2018* (GSF Act), the *Government Sector Finance Regulation 2018* (GSF Regulation) and the Treasurer's Directions
- presents fairly the Authority's financial position, financial performance and cash flows.

My opinion should be read in conjunction with the rest of this report.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report.

I am independent of the Authority in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants (including Independence Standards)' (APES 110).

I have fulfilled my other ethical responsibilities in accordance with APES 110.

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of public sector agencies
- precluding the Auditor-General from providing non-audit services.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Chairperson's Responsibilities for the Financial Statements

The Chairperson is responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the GSF Act, GSF Regulation and Treasurer's Directions. The Chairperson's responsibility also includes such internal control as the Chairperson

determines is necessary to enable the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chairperson is responsible for assessing the Authority's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to:

- obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the financial statements.

A description of my responsibilities for the audit of the financial statements is located at the Auditing and Assurance Standards Board website at: www.auasb.gov.au/auditors_responsibilities/ar4.pdf. The description forms part of my auditor's report.

The scope of my audit does not include, nor provide assurance:

- that the Authority carried out its activities effectively, efficiently and economically
- about the security and controls over the electronic publication of the audited financial statements on any website where they may be presented
- about any other information which may have been hyperlinked to/from the financial statements.

Combat Sports Authority

Notes to the Financial Statements

for the year ended 30 June 2022

1. Summary of Significant Accounting Policies

(a) Reporting Entity

The Authority is constituted under the *Combat Sports Act 2013*, after the *Combat Sports Act 2013 (the Act)* was proclaimed. The Authority is properly categorised as a statutory corporation (see s 79(1) CS Act).

Permanent and casual staff employed to carry out the functions of the Authority and a combat sport inspector, are provided by the the Office under a personnel service's arrangement. There is a Service Level Agreement, supported by an instrument of delegation, that allows the Office staff to undertake specified functions of the Authority prescribed in the *Combat Sports Authority Act 2013* and *Combat Sports Regulation 2014*. The Office also provides administrative, information technology, finance and transactional processing services to the Authority.

The objectives of the Authority are to supervise, promote and regulate professional and amateur combat sport in NSW, and advise the Minister on matters relating to combat sports. Its principal activities are registration of combatants, industry participants and promoters, issuing of medical record books, granting permits, attendance, examinations and record keeping of combat sport contests and granting permits for amateur combat sport contests.

The Authority is domiciled in Australia and its principal place of business is Level 3, 6B Figtree Drive, Sydney Olympic Park in New South Wales.

The Authority is a not-for-profit organisation and receives funding for its operations from the State Government in the form of a grant from the Office.

The financial statements for the year ended 30 June 2022 have been authorised for issue by the Members of the Authority on 28 October 2022.

(b) Basis of Preparation

The Authority's financial statements are general purpose financial statements prepared on an accrual basis and in accordance with:

- applicable Australian Accounting Standards (which include Australian Accounting Interpretations)
- the requirements of the *Government Sector Finance Act 2018* (the Act) and *Government Sector Finance Regulation 2018* and the Treasurer's Directions issued under the Act.

Key judgements in applying the accounting policies are that the Authority has a nil operating result, as all operating expenditure is offset by a grant from the Office. All services are provided by the Office on an accrual basis and all transactions are processed by the Office through its bank account.

Unless specifically stated otherwise, the accounting principles recognised as appropriate for measurement and reporting of financial performance and financial position on a historical cost basis have been adopted. All amounts are rounded to the nearest one thousand dollars and are expressed in Australian currency. The financial statements for the year ended 30 June 2022 are prepared on a going concern basis.

COVID-19 related public health orders had an impact on the operations of the Authority, including cancellation of many combat sport contests throughout the year. It did not however have a significant financial impact on the Authority as net expenditure is offset by a grant from the Office.

(c) Statement of Compliance

The financial statements and notes comply with Australian Accounting Standards which include Australian Accounting Interpretations.

(d) Income Recognition

Income is recognised when the Authority has control of the good or right to receive; it is probable that the economic benefits will flow to the Authority and that the amount of revenue can be measured reliably.

Registration revenue mainly includes:

- Prescribed registration application fees for processing applications as a registered combatant, industry participant and promoter

Combat Sports Authority

Notes to the financial statements

for the year ended 30 June 2022

- Permit application fees for a permit to hold a combat sport contest.

These application fees are not generally recognised as an unearned revenue but as income when they are received or become receivable. Income from grants is recognised when the Authority obtains control over the contribution. The Authority is deemed to have assumed control when the grant is received or receivable.

(e) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST except where, the amount of GST incurred that is not recoverable from the Australian Taxation Office is recognised as part of an expense.

(f) Personnel Services

Personnel services to the Authority were provided by the Office (Note 3 (a)).

(g) Insurance

Insurance activities for the Authority are conducted through the New South Wales Treasury Managed Fund Scheme of self-insurance for Government agencies. The premium expense is determined by the Fund Manager based on past claims experience and included in the total charge to the Office, of which the Authority is charged a portion.

(h) Income Tax

The activities of the Authority are exempt from the provisions of the Income Tax Assessment Act and other Federal Government taxation legislation, with the exception of the requirement of Office to pay fringe benefit tax and goods and services tax on transactions processed on behalf of the Authority.

(i) Foreign Currency

The Authority does not enter into foreign currency transactions.

(j) Comparative Information

Except when Australian Accounting Standards permit or require otherwise, comparative information is presented in respect of the previous period for all amounts reported in

the financial statements.

(k) Changes in Accounting Policy, Including New or Revised Australian Accounting Standards

The accounting policies applied in 2021-22 are consistent with those of the previous financial year.

The introduction of these new or revised Australian Accounting Standards did not have an impact on the Authority's financial statements.
