

Active Kids Program Recipient Information

What is the Active Kids Program?

Why is the Active Kids program important?

From 1 July 2023, the Active Kids Voucher program provides NSW families with access to a \$50 voucher. The vouchers help pay for participation in sport and active recreation for school aged children.

The vouchers can be used towards payment of membership or fees with an approved Active Kids Provider.

Each voucher must be redeemed at a separate program and can be redeemed before the expiry date of the voucher.

Active kids are happy, resilient and confident kids. By participating in regular sport and active recreation kids gain many benefits, including improved self-esteem, leadership skills, problem solving and teamwork.

What are the program objectives?

Who can get an Active Kids Voucher?

The objectives of the program are to:
