

COVID-19 Safety Plan

Sport and Recreation Centres and Olympic Venues

This COVID-19 Safety Plan allows for you to detail the local actions you will undertake to maintain a safe environment for staff, contractors, clients and all visitors to the Centre / Venue

Complete this plan in consultation with your staff, then share it with them. This will help slow the spread of COVID-19 and reassure your clients that they can safely visit your Centre or Venues. This is a living document and you will need to amend the plan in the future, as restrictions or advice changes.

This individual Centre / Venue plan is the local response to the *Office of Sport COVID-19 Safety Operations Plan for Centres and Venues* and in completing this template you should draw on this plan to create actions for your individual Centre or Venue. Centres and Venues must follow the current COVID-19 Public Health Orders and manage risks to staff and other people in accordance with Work Health and Safety laws.

CENTRE / VENUE

Centre / Venue Name:	Southern Highlands Regional Shooting Complex

REQUIREMENTS	ACTIONS
<p>Physical distancing</p> <p><i>Identify the practical measures for ensuring physical distancing in each of the key sport and recreation facilities within the Centre / Venue precinct. Where practical, have a staff member responsible for ensuring physical distancing of groups and zones / areas.</i></p>	<p>SHRSC is currently open for use for casual, clubs and events.</p> <p>SHRSC, in consultation with its staff, contractors and event organisers will implement measures to minimise the spread of COVID-19 and to ensure physical distancing. These include:</p> <ul style="list-style-type: none"> • Ceasing or modifying activities that involve close personal contact (less than 1.5 metres) • Implementing controls to reduce direct contact between SHRSC staff, contractors, and visitors, including: • Physical distancing of at least 1.5 metres and enforcing a 2-metre square space per person, for outdoors, and a 2-metre square space per person, for indoors, • Promoting lane spacing between shooters where possible • Keeping groups of persons from different Clubs in separate zones • Modifying rosters and bookings at the Venue to reduce peak periods and co-mingling between groups • Increasing cleaning and disinfection of high traffic areas or shared surfaces • Providing posters and other public education resources for all staff, contractors, and visitors • Monitoring of number numbers in areas / zones to ensure physical distancing is being followed and take appropriate steps if there are breaches by SHRSC Staff and Club/Event organisers. <p>SHRSC adopts the below Key Protocols regarding social distancing:</p> <ul style="list-style-type: none"> • Staff, participants, and hirers must practice physical distancing through reducing close physical contact and good personal hygiene must be practiced at all times. This means people: <ul style="list-style-type: none"> • avoid physical greetings such as handshaking, hugs and kisses • use tap and go EFTPOS instead of cash • travel at quiet times and avoid crowds • do not enter crowded spaces • avoid large public gatherings • practise good hygiene • must stay at home if they have any cold or flu symptoms. • Seek medical advice and get tested for COVID-19 <p>Any risk to exposure should be identified in advance, and discussed between SHRSC Venue Management and the Event Organisers to identify the best way to manage the risk</p>
<p><i>Ensure any other external communal areas where people gather, such as BBQ, or kitchen facilities, maintain capacity limits prescribed by NSW Public Health Orders and appropriate physical distancing. (including staff, contractors, and volunteers).</i></p>	<p>All areas have signage to indicate the maximum number of persons permitted to gather in the area.</p> <p>Social distancing signage has been displayed throughout the Venue, especially within the BBQ Areas and common areas, to ensure Staff and Visitors are always aware of maintaining 1.5 metres distance and 1 person per 2 square metres.</p> <p>A one person per 2-metre square, for outside areas, or a 2-metre square, for indoor areas, will be enforced per person.</p> <p>Social distancing signage has been displayed throughout the Venue, to ensure 1.5 metres distance.</p> <p>The Event Organiser / Nominated Person will be responsible for advising their patrons and monitoring numbers.</p> <p>SHRSC staff will conduct regular inspections to ensure physical distancing requirements are being adhered to.</p>
<p><i>Visitors staying at self-contained accommodation may have guests, but the total number of people at each outdoor gathering should not exceed 20.</i></p>	<p>Not applicable at SHRSC</p>

Ensure staff and guests maintain physical distancing prescribed by NSW Public Health Orders at all times (including at meal breaks).

SHRSC adopts the below Key Protocols regarding social distancing:

- Staff, participants, and hirers must practice physical distancing through reducing close physical contact and good personal hygiene must be practiced at all times. This means:
 - staff are strongly encouraged to wear masks when indoors especially if social distancing is a challenge.
 - keeping 1.5 metres away from others wherever possible
 - avoiding physical greetings such as handshaking, hugs and kisses
 - working from home, whenever practicable
 - using tap and go instead of cash where possible
 - traveling at quiet times and avoid crowds
 - not entering crowded spaces
 - avoiding large public gatherings
 - practising good hygiene as detailed below
 - must stay at home if they have any cold or flu symptoms.
 - Seek medical advice and get tested for COVID-19
 - Enforcing a one person per 2-metre square space per person, for outdoors, and a 2-metre square space per person, for indoors.

Social distancing signage has been displayed throughout the Venue to ensure Staff and Visitors are aware of maintaining 1.5 metres distance and 1 person per 2 square metres, when outside, or 1 person per 2 square metres, when inside at all times.

All rooms at SHRSC have been measured and the capacity based on 1 person per 2 square metres has been displayed at the entrance to each room and cannot be exceeded. This must be monitored by the Event Organisers and random checks conducted by SHRSC Staff.

Lane spacing is applied on ranges where possible and Club groups have been kept separate.

Activities that are conducted by Office of Sport staff and are allowed under the current restrictions require specific treatments and activity alterations. Outline the actions to ensure physical distancing will be managed with each activity that is operational.

It is the responsibility of the Event Organiser to decide on which COVID restrictions apply to their event/activity. The below activities/events can be held at SHRSC

GENERAL ACTIVITIES

- The Minister directs that a person must not participate in an outdoor public gathering of more than—
 - (a) for a gathering in Greater Sydney—50 persons, or
 - (b) for a gathering outside Greater Sydney—100 persons.
- The Public Health Order on Gathering and Movement sets out the gatherings, such as community sporting activities, where this clause does not apply.
- The Greater Sydney Region is defined in the current [Public Health Order on Gathering and Movement](#).

COMMUNITY SPORTING ACTIVITIES

- Community sporting competitions and training activities are **community sporting activities**.
- The same restrictions apply to all community sporting activities across NSW. There is no distinction between community sporting activities in rural and regional NSW and those in the Greater Sydney Region.
- Please see the current [Public Health Order on Gathering and Movement](#) for definitions of organisers and participants for community sport.
- For community sporting activities that involve more than 100 participants, the organiser must have a COVID-19 Safety Plan for community sporting competitions and full training

activities.¹

- The maximum number of participants at a community sporting activity is 3,000 people, or one person per 2 square metres (whichever is less). There is no distinction between indoors or outdoors events.
- Participants include players, people who are training, officials and spectators.
- More than one parent may attend community sporting activities if [physical distancing](#) of at least 1.5 metres can be maintained between people that are not from the same household.
- [Record keeping](#) for attendees must take place for all community sporting activities of more than 100 people where this is practical.

CONTROLLED OUTDOOR PUBLIC GATHERINGS RURAL NSW

- A **controlled outdoor public gathering** means an outdoor public gathering in an area (the enclosed area)—
 - a) that is enclosed or bounded by fencing or another form of barrier, and
 - b) access to which is controlled by way of a ticket, and
 - c) in relation to which all persons, other than persons engaged in work, are assigned to specific seats or to a seating area.
- The organiser of a controlled outdoor public gathering means the person principally responsible for organising the gathering.
- The organiser must have and comply with a COVID-19 Safety Plan that addresses the matters set out in the current Public Health Order on Gathering and Movement.
- The organiser of a controlled outdoor public gathering must ensure all persons participating in the gathering, other than persons engaged in work, are assigned to specific seats or to a seating area.
- The organiser of a controlled outdoor public gathering must ensure the gathering does not last longer than 5 hours.

RECREATION FACILITIES (MAJOR)

- A **recreation facility (major)** means a building or place used for large-scale sporting or recreation activities that are attended by large numbers of people whether regularly or periodically, and includes theme parks, sports stadiums, showgrounds, racecourses and motor racing tracks.
- Major recreation facilities must have a [COVID-19 Safety Plan](#).
- The same restrictions apply to all major recreation facilities across NSW. There is no distinction between major recreation facilities in rural and regional NSW and those in the Greater Sydney Region.
- **Indoor facilities:** the maximum number of people at an indoor major recreation facility is the greater of
 - 75% of the fixed seating capacity and
 - one person per [2 square metres](#) of space.
- **Outdoor facilities:** the maximum number of people at an outdoor major recreation facility is the greater of
 - the total of 100% of the fixed seating capacity of the recreation facility and
 - one person per [2 square metres](#) of any unfixed seating areas and
 - one person per 2 square metres of outdoor space in the facility.
- **Ticketing:** if the maximum number of people is based on the percentage of the fixed seating capacity admission is only by ticket for a specific seat or seating area

Records must be provided as soon as possible, but within 4 hours, upon request from an authorised officer.</p> <p>Note: If a person is unable to provide contact details, for example due to age or language barriers, another person may provide contact details on their behalf. If there are unexpected circumstances which prevent the use of electronic methods to collect contact details (such as an internet outage), any paper records must be entered into an electronic format such as a spreadsheet within 12 hours.</p>	<p>All staff, contractors, casual and club shooters and visitors - upon arrival, need to sign in using the Services NSW QR code system and a paper register located in the venue reception area, or the staff/contractors register. This register is saved in TRIMS</p> <p>SHRSC has also registered as a COVID Safe Business, and displayed all signage notifying visitors. In addition to the Venues Check in System, all visitors are also required to sign in to the Service NSW App as per NSW Health and Government requirements.</p> <p>On Major Event Days the Event Organisers are responsible for obtaining the name, phone number and email address of all of the participants attending their booking and required to keep this data on file for a period of at least 28 days</p>
<p>Ensure records are used only for the purposes of COVID-19 contact tracing and are collected and stored confidentially and securely. When selecting and using an electronic method of record collection, take reasonably practical steps to protect privacy and ensure the records are secure. Consider the 'Customer record keeping' page of nsw.gov.au.</p>	<p>All details are collected electronically using the Services NSW QR code system, that quickly and accurately produces a complete digital record of all visitors at SHRSC. These details are collected in a safe and secure way.</p> <p>All visitors are also required to sign in via the Service NSW App, therefore visitor details are easily accessible.</p> <p>The purpose of the collected of details at SHRSC, is solely for the purpose of Venue Operations and Safety and for the purpose of contact tracing by NSW Health during the COVID Pandemic</p>
<p>Make your staff aware of the COVID Safe app and its benefits to support contact tracing if required.</p>	<p>Staff have been made aware of the COVID safe app in staff meetings.</p>
<p>Notify Office of Sport Executive and WHS Committee of any suspected concerns of a COVID-19 case.</p>	<p>Venue Management will follow the reporting guidelines as outlined on the Office of Sport - COVID-19 Incident Flow Chart, located on the Intranet.</p>
<p>Cooperate with NSW Health if contacted in relation to a positive case of COVID-19 at your workplace and notify SafeWork NSW on 13 10 50.</p>	<p>SHRSC intends to cooperate completely with NSW Health if there is a positive case at the Venue, this is also well documented within the Office of Sport COVID-19 Protocol</p>
